Notes:

1. The format of providing drinks packages works very well. Please ask if you would like a quote for providing different drinks than those shown above. How about Pimms with fresh fruit for the girls, and a bottle of Corona served with a chunk of lime for the boys..?
2. Welcome drinks and toasts are served on trays by our waiting staff, wine can either be put on guest tables or alongside the main buffet/barbecue tables.
3. Prices include VAT at 20%.
