

VW to Hire...

(for your bridal transport & photos)

**"Monty" is an exceptional
 1966 VW 21 Window Samba
 who has recently gone
 through extensive restoration
 inside and out, with no
 expense spared.**

Nothing captures the spirit and nostalgia of the 1960's like a VW camper on your wedding day. And among all VW campervans made, the greatest feeling of freedom and excitement comes from riding in a 21 window Samba with the full sliding sunroof wide open, with the sun shining through all 8 skylights.

I don't have to convince you that this camper puts a huge smile on just about everyone's face that sees it, that's why he's perfect for a beach wedding!

Wedding Hire includes (costs £275):

- Chauffeur driven service from your pick-up location (within 5 miles), to the Tunnels Beaches Venue (main entrance gates)*.
- Space for a maximum of 6
- Photo opportunities at your accommodation, on arrival and after the ceremony (with the groom!)
